| <b>Chapter 1: INTRODUCTION .....</b>                          | <b>1</b>  |
| What is Social Psychology?.....                               | 1         |
| Social Psychology and Personality .....                       | 3         |
| Social Psychology and Common Sense.....                       | 5         |
| Relying on our Common Sense .....                             | 5         |
| What are the Limitations of Common Sense? .....               | 5         |
| A Brief History of Social Psychology.....                     | 8         |
| Applying Social Psychology in Today's World .....             | 10        |
| Summary .....   | 11        |
| Key Terms.....  | 12        |
| References.....   | 12        |
| <b>Chapter 2: RESEARCH METHODS IN SOCIAL PSYCHOLOGY .....</b> | <b>13</b> |
| The Research Hypothesis.....                                  | 13        |
| Building on Existing Research .....                           | 14        |
| Exploring the Implications of a Theory.....                   | 14        |
| Sampling and Generalization.....                              | 15        |
| Samples and Populations.....                                  | 15        |
| Probability sampling .....                                    | 15        |
| Sampling Bias and Non-probability Sampling.....               | 16        |
| Sample Size and Margin of Error .....                         | 16        |
| Observational Research.....                                   | 17        |
| Correlational Research.....                                   | 18        |
| The Survey Method.....  | 20        |
| Interviews.....   | 21        |
| Questionnaires .....  | 21        |
| Experimental Research .....                                   | 22        |
| The Role of Ethics in Research.....                           | 23        |
| Ethical Treatment of Human Participants.....                  | 23        |
| Is Deception Justified?.....                                  | 25        |
| The Ethics of Communicating With the Public.....              | 26        |
| Applying Social Psychology in Today's World .....             | 26        |
| Summary .....   | 27        |
| Key Terms .....   | 27        |
| References.....   | 28        |
| <b>Chapter 3: SOCIAL COGNITION .....</b>                      | <b>29</b> |
| Schemas: The Building Blocks of Thinking.....                 | 30        |
| Which Schemas Get Activated .....                             | 31        |
| Negative Effects of Schemas.....                              | 32        |
| Deadly Consequences of Schemas.....                           | 34        |
| Positive Effects of Schemas.....                              | 35        |
| Applying Social Psychology in Today's World .....             | 36        |
| Summary .....   | 38        |
| Key Terms .....   | 38        |
| References.....   | 38        |
| <b>Chapter 4: SOCIAL PERCEPTION .....</b>                     | <b>41</b> |
| Nonverbal Communication.....                                  | 41        |
| You Can (and do) Judge a Book by its Cover.....               | 43        |
| Culture Influences Implicit Personality Theories .....        | 43        |
| Causal Attributions .....                                     | 45        |
| Kelley's Covariation Theory .....                             | 45        |

|  |           |
|--|-----------|
| The Correspondence Bias .....  | 46        |
| The Two-Step Process.....  | 47        |
| The Role of Individualistic versus Collectivist Culture in Making Attributions ..... | 47        |
| Potentially Problematic Social Attributions .....                                    | 47        |
| The Actor-Observer Bias .....  | 47        |
| Self-serving Attributions.....   | 48        |
| False Consensus .....  | 48        |
| False Uniqueness.....  | 49        |
| Illusory Correlation .....   | 49        |
| Applying Social Psychology in Today’s World.....                                     | 49        |
| Summary .....  | 50        |
| Key Terms .....  | 51        |
| References .....   | 51        |
| <b>Chapter 5: THE SELF: UNDERSTANDING OURSELVES IN RELATION TO OTHERS .....</b>      | <b>53</b> |
| How Do We Come to Know Ourselves? .....  | 53        |
| Developing a Self-concept .....  | 54        |
| Using Others For Comparison .....  | 54        |
| Learning From Our Culture .....  | 55        |
| Observing Our Own Behavior .....   | 56        |
| Introspection.....   | 57        |
| Exerting Self-control .....  | 58        |
| How Do We Present Ourselves to Others? .....   | 58        |
| Impression Management.....   | 59        |
| The Self-esteem Debate .....   | 60        |
| Applying Social Psychology in Today’s World.....                                     | 61        |
| Summary .....  | 62        |
| Key Terms .....  | 63        |
| References .....   | 63        |
| <b>Chapter 6: CONSISTENCY AND RATIONALIZATION .....</b>                              | <b>65</b> |
| Eating Grasshoppers, Telling Lies, and Other Tales of Dissonance .....               | 65        |
| Attitude-Behavior Inconsistency.....   | 66        |
| Effort Justification.....  | 67        |
| Post-decision dissonance.....  | 68        |
| Reducing Dissonance.....   | 69        |
| A “New Look” at Cognitive Dissonance Theory.....                                     | 70        |
| Alternatives to Dissonance Theory .....  | 70        |
| Self-Affirmation Theory .....  | 70        |
| Self-Perception Theory .....   | 71        |
| Beyond Internal Consistency: Rationalizing the World Around Us .....                 | 71        |
| Heider’s Balance Theory.....   | 71        |
| Belief in a Just World.....  | 72        |
| System Justification Theory.....   | 72        |
| Terror Management Theory .....   | 73        |
| Applying Social Psychology in Today’s World.....                                     | 73        |
| Summary .....  | 75        |
| Key Terms .....  | 76        |
| References .....   | 76        |
| <b>Chapter 7: ATTITUDE AND ATTITUDE CHANGE .....</b>                                 | <b>79</b> |
| Attitudes and Their Function.....  | 79        |
| Implicit and Explicit Attitudes .....  | 80        |
| Routes to Persuasion .....   | 82        |
| Elaboration Likelihood Model .....   | 82        |

|   |            |
